First Ladies  *First Gentlemen*

Hello to each of you and welcome to our new members!

Dear Friends,

Hello to each of you! This year is traveling too fast for me. I cannot believe we are nearly halfway through 2019.

I have some exciting news! We will be offering a trip to Egypt in 2020! Doris and I visited Egypt in March and it was the trip of a lifetime! We visited the pyramids and it was a wonderful experience. We also went to the Valley of the Kings where we visited tombs of some of the great Pharaohs of Egypt. We were enthralled during our visit to the museum. The mummies were unbelievable!

The Nile River was lined with bustling activity. I asked if we passed the spot where Moses was plucked from the reeds, they assured me we had passed that exact spot! I must admit, I checked one thing off my bucket list – I rode a camel! I bought a camel blanket. Big mistake, it came with a little “camel aroma.” It was a hoot trying to get it through the airport! It was wrapped in tight plastic and I feel like I brought my camel home with me. It’s still hanging outside and I guess it will continue to hang there instead of decorating my home. I am reminded each day of my Egyptian experience!

We are offering some wonderful trips for you in 2020. It is never too late to join us as we adventure out and see this fantastic world we live in.

Please come join us, we would love to have you travel with us!

First Ladies & First Gentlemen Travelers!

Since you last heard from me in October, we've experienced many exciting and interesting programs and trips. We took time to attend a few basketball games at Texas Tech and Lubbock Christian University. The Red Raiders played in the NCAA Championship game in Minneapolis, Minnesota and lost to Virginia. The Lady Chaps won their NCAA Division 2 Championship game defeating Southwestern Oklahoma.

In October, we had 11 Travel Club members travel to Abilene for lunch and an afternoon in downtown visiting Casa Authentique, Grace Museum and Vletas Candies. We stayed overnight in Abilene and departed for Dallas the next morning. Our first stop would be Neiman Marcus and lunch in the Zodiac Room. Our next stop was the Dallas Arboretum which is beautiful with all of the breathtaking Chrysanthemums and a Pumpkin Village made up of 90,000 pumpkins (most of the pumpkins are grown in Floyd County in West Texas). We had two ladies travel to Washington DC for "A Capital Christmas at the Gaylord National". We took a great trip featuring the new Museum of the Bible, National Cathedral, The National Christmas Tree and much more. We had five women travel on a Mystery Tour in Louisiana that took us to Shreveport, Minden, Monroe, and Alexandria & Natchitoches. We toured several historical homes, a plantation, saw a fireworks display on Saturday evening and attended worship at First United Methodist Church. In late November, we had our Travel Club Appreciation Dinner with an attendance of 53 travelers featuring J Cruse who performed a demonstration of molding Santa faces out of clay.

We started the year with a Travel Club meeting and presentation on "Investments for 2019" and also presented upcoming travel opportunities. Two travelers went on the Big Bend Trip in March and saw all of the wonders and beauty of that area. We have several travelers signed up to take a Mystery Trip in May, Michigan and the Great Lakes, and Mackinac Island in June, Kentucky-It's More Than the Derby in June, Palo Duro Canyon in July, Fiddler on the Roof in August, Historic Ft Worth in October, Kaleidoscope of Colors in October, Dickens on the Strand and Christmas in the Big Apple both in December. We hope you will consider joining us on one of these adventures!

Where does the time go? A very simple sentence, but no simple answer! Here we are in my favorite time of the year, enjoying the gorgeous weather and all of the beautiful trees and flowers in bloom. Yes, time is flying by, but hopefully we are making every minute count and savoring every moment! We are so privileged to live in this magnificent country, America!

Each year we have the awesome opportunity to be a part of the "Easter Seals Campaign," helping to raise money for individuals of all ages in need. I mention this in our newsletter because not only is it a widely held endeavor for the bank but the Travel Club volunteers play a very vital role in helping to make the campaign a success by graciously volunteering to bake goodies for bake sales, serving up "Santa Fe Stew" and giving their time for this very worthy cause. Kudos to all of our members who helped with the Easter Seals Campaign! We thank you so very much!

The first 5 months of this year have been fabulous with the club offering so many fantastic trips to our members! The year started with a cruise to Cuba, featuring five-star cruising onboard the beautiful Azamara Journey. Members also enjoyed a spring time Holland & Belgium waterways cruise, admiring the beauty of the lush countryside and all of its offerings. Then it was off to the "Celebrate America, the International Tattoo, and Outer Banks & Mustangs" trip! There has been great positive feedback on these three tours.

Looking forward to 2020... Yes, I said 2020! As you know, it will be here before we can blink! There are many wonderful trips on the 2020 horizon. I am happy to visit with you and answer any questions that you may have regarding these tours. We have marvelous flyers for each of these exciting trips with all of the details.

Our club continues to enjoy the monthly games day, where we play Bunco and have a great time! If you would like to join us, please call me and I will happily add you to our group! We play on the first Tuesday of the month. Our bi-monthly, "Let's Do Lunch," luncheons are so popular with our members, providing an opportunity to mix and mingle with fellow club members, plus, enjoying some of the finest restaurants in Houston. Recently, we enjoyed an officer guided tour of the new Bellaire Police & Municipal Courts building. The Bellaire Police Department are always so gracious and are truly so interested in speaking to our members about safety awareness, fraud, and other issues that we need to be mindful of in our day to day lives.

Remember, each Friday we have coffee and donuts in the bank lobby, served by our wonderful Travel Club volunteers. Stop by and enjoy the opportunity to visit with fellow members.

There are many special banking benefits with club membership and we want you to be sure and take advantage of each benefit. We are all here to serve you and answer any of your banking questions. Wishing you a safe and wonderful summer! We hope you include the club in your plans for exciting travel and fun events! We value your friendship and appreciate your business. Thank you for giving us the opportunity to be your banker!

Hello Everyone!

This year has been a whirlwind... The Travel Club started our new year with a casino trip in January to Coshatta for one of our 3 trips to the casino.

In February, we were off to Cuba for a cruise. Our eyes were opened to a very different culture a way of life. Trust me, the good 'ole USA is the best place to hang your hat. We learned that an individual cannot paint the outside of their home without permission from the government. We were also told that doctors make \$30.00 a month. Do you think our doctors would go for that?

Our guide on this trip was a veterinarian and could not make a living at that profession so, she became a guide. As a guide, she could hide her tips from the government.

March took us to Holland on a river boat cruise where the tulips were awesome! If you have not taken a river boat cruise, it's something you should consider. A river boat cruise allows a much slower pace and time to meet virtually everyone on the boat. It also allows you to pick different excursions! It's a great way to travel!

April took us to Virginia to enjoy the Virginia International Tattoo. The Tattoo hosts various nations in Norfolk and allows them to display their unique bands and introduce aspects of their military. We were able to see many accomplishments of the men and women in the armed forces. We need to thank our military personnel for the great protection they provide our nation. After enjoying the event, we took a turn and drove down to North Carolina to visit the beaches and were entertained by the wild horses. Another great Trips experience.

Believe it or not, we are now in May and where has this year gone? The Travel Club is headed to Norway, Iceland, and Scotland for a 17 day cruise and another adventure with Trips!

May will not be our last trip of the year, June we are headed to Kentucky for a week of fun. We go to Alaska in July, France & Spain in August, New York & the Finger Lakes in September, as well as the Fall Fest. November brings about our Style Show and December is Christmas in New York. If you are interested, please call our office. We would love to share the adventures with you!

Las but not least is our Rose Parade at the end of December thru New Year's Day. Again we have space on this trip so, if you are interested, call the office!

Travel has definitely given me a new prospective on just how great the USA is and the many privileges we have. We love to travel, but as they say, there is no place like home!

Thanks for traveling with us, having coffee with us, and joining us for luncheons or whatever event we have. We appreciate each and every one of you!
