Please note, you will need to request a one-time passcode through your Prosperity Bank Token every time you log in.

Accessing Treasury Center Token & Login Reminders

Logging in to Treasury Center

- Treasury Center can be accessed through the ProsperityBankUSA.com website – select **SIGN IN TO ONLINE BANKING** in the toolbar and choose **Treasury Center**.
- Your Company ID and User ID are the same you used to access LegacyTexas Commercial Online but should be **entered in ALL CAPS**.
- If your User ID had special characters other than a hyphen (-), underscore (_) or period (.), **those have been replaced by a hyphen**. For example: JANE@DOE\$ is now JANE-DOE-
- Your password is a one-time generated code from your Prosperity Bank Token and **will change each time you log in**.

Retrieving Your One-time Passcode

- Be sure you have downloaded the Prosperity Bank Token from the App Store or Google Play.
- Once you log in, look for the six-digit passcode:

One Time Passcode

🔊 **966798**

120 seconds remaining new passcode ↻

- The Prosperity Bank Token will generate a new code every two minutes.
