Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ► On April 1, 2024 (the "Effective Date"), Lone Star State Bancshares, Inc. ("LS Bancshares") was merged with and into Prosperity Bancshares, Inc. ("Prosperity"), with Prosperity as the surviving entity, pursuant to the terms and conditions in the Agreement and Plan of Reorganization (the "Merger Agreement"), dated October 11, 2022, by and between Prosperity and LS Bancshares.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ► Pursuant to the Merger Agreement, each share of LS Bancshares capital stock outstanding immediately prior to the Effective Date was canceled and converted into the right to receive 0.3955 shares of Prosperity common stock and \$9.60 cash per share. In addition, cash was paid for any fractional share interests at a rate of \$62.42 per fractional Prosperity common share.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ► For federal income tax purposes, the aggregate tax basis of the Prosperity common shares received by LS Bancshares shareholders as a result of the merger (excluding any fractional share interest deemed received and redeemed for cash) will be the same as the aggregate tax basis of the LS Bancshares shares surrendered in exchange therefor, reduced by the amount of cash received on the exchange, and increased by the amount of any gain recognized upon the exchange. A former LS Bancshares shareholder must allocate the tax basis so calculated across the total number of the shareholder's new Prosperity common shares received in the merger. By doing this allocation, a tax basis per share can be computed. The actual tax basis will differ with respect to each separate former LS Bancshares shareholder and, additionally, tax basis may differ with respect to separate and distinct blocks of common shares owned by any former LS Bancshares shareholder. To the extent that a LS Bancshares shareholder received cash in lieu of a fractional Prosperity common share, a portion of the total tax basis must be allocated to the fractional share and such fractional share will be deemed to be received and then exchanged for cash. The holding period of any shares of Prosperity common stock received by LS Bancshares shareholders in the merger generally will include the holding period of the shares of LS Bancshares common stock exchanged for such Prosperity common stock.

Part II Organizational Action (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ►

The merger of LS Bancshares into Prosperity on April 1, 2024 qualifies as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. In general, the income tax consequences to the former LS Bancshares shareholders are determined under the Internal Revenue Code sections 354, 356, 358 and 1221.

18 Can any resulting loss be recognized? ► LS Bancshares shareholders generally will not recognize a loss for U.S. federal income tax purposes by reason of the merger, except with respect to cash received in lieu of a fractional share of Prosperity common stock.

If a LS Bancshares shareholder receives cash in lieu of a fractional share of Prosperity common stock, the LS Bancshares shareholder will be treated as having received a fractional share of Prosperity common stock pursuant to the merger and then as having exchanged the fractional share of Prosperity common stock for cash in a redemption by Prosperity. As a result, the LS Bancshares shareholder generally will recognize gain or loss equal to the difference between the amount of cash received and the LS Bancshares shareholder's basis in the fractional share of Prosperity common stock as set forth on line 16 above. This gain or loss generally will be capital gain or loss, and will be long-term capital gain or loss if, as of the Effective Date, the LS Bancshares shareholder's holding period with respect to the fractional share (including the holding period of the LS Bancshares common stock surrendered therefor) exceeds one year. Special rules apply to LS Bancshares shareholders who received their LS Bancshares common shares through the exercise of an employee stock option, through a tax qualified retirement plan or otherwise as compensation, and such LS Bancshares shareholders are instructed to consult their their own tax advisors.

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ►

The merger became effective on April 1, 2024; therefore, the reportable tax year is 2024.
