Card Control

Debit/Credit Card Protection at Your Fingertips

Prosperity Card Control is a feature of our Mobile App that helps protect your debit/credit cards with the push of a button.

This feature allows you to create transaction alerts and gives you the ability to define when, where and how your debit/credit cards are used.

Simply download the mobile app on your smartphone to gain quick access to the Prosperity Card Control feature, then customize your alert preferences and usage settings to monitor and manage your cards.
