

KENYA WING SAFARI

OCTOBER 14 - 24, 2025

11 DAYS AND 9 NIGHTS

Join us and embark on the trip of a lifetime on a Kenyan Wing Safari! Safari, which means “journey” in Swahili, is an experience you’ll never forget and we have worked to ensure every detail has been arranged to perfection. Not all Safari programs are created equally, and this 5 Star program is unlike anything you have experienced. There are many things that affect the quality and cost of a Kenyan Safari. You’ll find that the TRIPS Kenya Wing Safari will exceed your expectations. From the moment you land and exit customs, you’ll be cared for, and about in ways you never expected. Your TRIPS Safari Director and Team will greet you and assist with your transfer to your five-star Nairobi Hotel. Over the coming days, as you travel from the northern reaches of the Aberdare National Forest to the world famous Maasai Mara in Southern Kenya, you’ll find the people to be warm and friendly and the animals beyond imagination! You’ll be greeted with a heartfelt Jambo as you travel throughout the country, and you’ll soon return the greeting smiling just as broadly as the Kenyan’s you come in contact with. Countless TRIPS travelers return home commenting that their Kenya Wing Safari changed them in such unexpected ways. Surely, a major draw is seeing elephant, lion, cheetah and giraffe in the wild. What few imagine is how the people of Kenya have touched them, from the school girls you meet and women who create beautiful wool rugs to your safari guide who is the best in business! It is the people of this Magical Land that enchant and entice so many to return!

We invite you to join us and experience the unexpected during this five-star Kenya Wing Safari!

October 16, 2025 - Karen Blixen: Out of Africa!

This morning after breakfast, your safari team hosts a **pre-safari briefing** at the hotel before you depart for the **Giraffe Center** established to protect the endangered Rothschild giraffe. Its breeding program has been quite successful, and you’ll hear about their efforts to reintroduce this beautiful animal into protected areas. You’ll even be able to hand feed a majestic giraffe from the raised platform! Then visit the home of **Karen Blixen** of “**Out of Africa**” fame. You’ll hear fascinating stories about her life, while enjoying a tour of her home. Next, tour the **Kobe Bead Factory** (formerly named Kazuri) which began as a tiny workshop with two local women hand-making beads. It soon blossomed into a ‘factory’ employing mostly single mothers who lived nearby providing them with a steady income. You’ll watch as these women hand make each bead that is then fired and made into stunning bracelets and necklaces. Today, Kobe beads are sold around the world, often at prices upward of \$90 per necklace. You’ll have an opportunity to buy these beautiful, one-of-a-kind creations for a fraction of the retail price. After your first day in Kenya, return to the beautiful Serena with time to relax and refresh, and enjoy dinner on your own at one of the hotel’s many fine options, perhaps even poolside with a refreshing cocktail!

Enjoy the views before setting out as part of a special group to **The Ark!** Set in the heart of the **Aberdare National Park**, The Ark overlooks a floodlit waterhole and salt lick which attracts a host of awesome wildlife. Modeled after Noah’s Ark, The Ark has four viewing decks with balconies and lounges to provide superb game viewing from the comfort of the lodge. This is

indeed a special place as the animals come to you! You’ll enjoy a delicious dinner here, then you might choose to settle in one of the decks and watch! Elephants, cape buffalo, bushbucks, warthogs all come to put on a show. If you’re lucky, a leopard or rhino might put in an appearance - you’re in the midst of the forest, so who knows what you’ll see!
